KINGDOM OF SAUDI ARABIA

AGC

Alshami General Contracting

OUR DIFFERENTIATION

AGC is committed to delivering exceptional value through our unique strengths that set us apart in the construction industry.

01

MARKET RESEARCH

AGC has in-depth knowledge and a comprehensive database of local market needs and service providers, enabling us to understand and respond to market demands effectively.

02

QUALITY

AGC provides a trusted and integrated quality experience in managing and executing projects from start to finish, ensuring the highest standards of quality at every stage.

03

EXPERTISE

Our high standards and specialized expertise differentiate us in the Saudi market. We are prepared to meet the growing demands of unique projects in line with Saudi Arabia's **Vision 2030**.

04

SERVICE DELIVERY

Our wide range of services, combined with our strong resources and capabilities, enables us to deliver projects on time and to the highest quality standards.

LOCAL MARKET KNOWLEDGE

Strong understanding of local market needs and dynamics.

EXPERIENCED TEAM

Skilled professionals with extensive industry experience.

RESOURCE STRENGTH

Well-equipped with assets, manpower, and management.

CLIENT COMMITMENT

Dedicated to client satisfaction and long-term partnerships.

AGC

Alshami General Contracting

OUR SERVICES CIVIL WORKS

AGC delivers high-quality civil engineering solutions with a focus on safety, reliability, and excellence. We build the foundations for a better tomorrow.

QUALITY ASSURED

Committed to the highest standards in every project.

SAFETY FIRST

Strict adherence to safety protocols on every site.

CONCRETE WORKS

Structural concrete, skeleton work, and box culverts.

ELECTRICAL / DATA

Concrete duct banks for MV/LV and fiber optics.

ROAD WORKS

Road construction including excavation, compaction, and asphaltting.

FENCING & SECURITY SOLUTIONS

Supply and installation of chain link fence systems.

SUPPLY & INSTALLATION

Site preparation including excavation, backfilling, compaction, and sand removal.

CIVIL UTILITY WORKS

Water, sewer, and drainage networks installation.

QUALITY WORK. ON TIME. EVERY TIME.

EXPERIENCED TEAM

Skilled professionals delivering exceptional results.

ADVANCED EQUIPMENT

Modern machinery for efficient project execution.

RELIABLE PARTNER

Building lasting relationships through trust and performance.

TIMELY DELIVERY

Committed to completing projects on schedule.

ELECTROMECHANICAL WORK

HVAC WORKS

AGC broad range of Mechanical (HVAC) services and solutions include:

- Chilled water systems
- DX/VRV systems
- Package units.
- Extract fans.
- Fresh Air Handling Units
- Ecology Units and Make up Air Handling
- CCU, GI and PI Ducting

FIRE FIGHTING WORKS

Our Firefighting system involve Supply, Installation, Testing & Commissioning which shall include;

- Fire suppression systems.
- Fire hydrant systems, Fire hose reels
- Fire Automatic Sprinkler System
- Fire Pumps and Fire Extinguishers
- Deluge and Pre-Action System
- Foam System, CO2 Fire Suppression System
- Clean Agent & Wet Chemical Fire Suppression Systems include; FM200, NOVEC 1230 Systems

PLUMBING WORKS

For plumbing systems that we Specializes in:

- Sanitary and drainage systems,
- Water distribution, Water treatment
- Solar Heaters, Kitchen and laundry plumbing,
- Irrigation systems and controls
- Sand traps and grease traps

OUR ENGINEERING SERVICES

Multidisciplinary Engineering Solutions Backed by Expertise, Advanced Tools, and a Commitment to Quality and Safety.

Engineering & Technical Strength

- ✓ Detailed design & shop drawings
- ✓ Quantity take-off & estimation
- ✓ Method statements & risk assessments
- ✓ Material submittals & approvals
- ✓ Project planning & scheduling
- ✓ QA/QC Documentation

Saudi Aramco E-Reference No. 0003911

Registration Approval Letter

June 15, 2021

Attention : MOHAMMAD ABER ALSHAMRI GENERAL CONTRACTING EST

CR Number : 2062021362

Supplier Type:

Country : Saudi Arabia

We are pleased to inform you that MOHAMMAD ABER ALSHAMRI GENERAL CONTRACTING EST is now registered in the Saudi Aramco Supplier Management System under Vendor Code No. 10061844, provided your company continues to meet all relevant Saudi Arabian and Saudi Aramco standards.

This registration, however, should not be construed as a commitment by Saudi Aramco to procure from you. Being registered as a supplier only grants your company the opportunity, along with other registered sources, to respond to requests for submitting proposals in accordance with Saudi Aramco's established policies and procedures. All procurement instruments including but not limited to service contracts, purchase agreements, or purchase orders will be issued based on the name and address included in your commercial registration (CR), as stated in your Supplier Registration.

Saudi Aramco wishes to remind you that being recognized as a supplier carries with it serious obligations and responsibilities to act in a legal and ethical manner. We wish to remind you of the Saudi Aramco Supplier Code of Conduct (SCOC) which you acknowledged. Failure to abide by the principles set forth in the SCOC can result in adverse actions being taken by Saudi Aramco against you including suspension of you as a supplier. Saudi Aramco also expects each of its suppliers to satisfy each of the requirements of any procurement instrument which might be placed and to act responsibly and reliably as a supply chain supplier.

Material Suppliers should apply for Saudi Aramco Supplier Portal access by forwarding a request to portal-registration@aramco.com. The Supplier Portal is the main electronic business tool used between Saudi Aramco and its suppliers and serves to improve the flow and accuracy of key supply chain information.

For further information or assistance please contact the Saudi Aramco Supplier Help Desk by forwarding a request to SupplierHelpDesk@aramco.com or via the unified call center 800-116-1168 for In-Kingdom suppliers or +966 (11) 290-8950 for Out-of-Kingdom suppliers.

Moamar Khazal Al Usaimi, Supervisor
Supplier Registration Unit
Supplier Relationship Management Div

It is the responsibility of the supplier to update Saudi Aramco Supplier Registration Profile through Ariba for the following:

1. Change of Name / Commercial Registration Number / Address / Owner(s)
2. Any change of the supplier location
3. Discontinue supply of approved commodities (SCOMs and SCATS)

This is an electronically generated letter by Saudi Aramco. To verify Supplier approval status, please contact Supplier Help Desk at supplierhelpdesk@aramco.com
